📋 **Must-haves:** 2-5+ years' experience, confidence in surgical procedures, general veterinary license in Ontario (or eligibility to obtain one)

Meet LAC

Hear it from our team:

Imagine working in a beautiful countryside location, surrounded by trees and farmland, yet just a short drive from Hamilton's urban amenities.

LAC is a destination practice with a loyal client base and a range of advanced services, from routine care to specialized surgeries like skin grafts, patellar luxations, and gastropexies.

However, our team is what makes this place special. We're a close-knit group that genuinely supports each other, whether it's jumping in to help during busy days, celebrating a newly licensed RVT, or doing a fun monthly team activity like paint night.

"We have a fantastic group, an extensive onboarding program for all our staff and our own learning platform. The environment is engaging and energetic, we like to laugh and have fun."

–Ashley, PM

If you enjoy teamwork, a relaxed work environment, and making a real impact with patients and their families, we'd love to hear from you. Lynden offers beautiful countryside with hiking trails and natural views, while being just a short drive from the cultural scene (with CFL games and great dining!). Here, it's the perfect mix of peaceful living, quality medicine, and city convenience. Come visit us and see for yourself!

What our clients say

Drew Danby

Rescued a puppy with Moringa mission 10 years ago and been coming here ever since. Love the staff and the in depth explanations and care you receive from from all the Vets and Nurses. We drive in from Toronto when our pets are in need because we leave with confidence knowing our pets have been properly taken care of.

Annette Shaylaina

Our pets are a part of our families. They bring us comfort and love. Their time with us is a privilege and their time with us goes by so fast. We need a vet that has an understanding, patient and kind staff. I know they are all very busy.
Thank you

A Mook

This is the best vet clinic i've ever been to. I have been taking my dogs & cats there for 7-8 years. It is such a relief to find such a good clinic. The whole team of veterinarian's and staff are excellent.

LAC Snapshots
